Docket Nos. 2017-207-E, 2017-305-E, and 2017-370-E

Dear Ms. Boyd:

On June 12, 2018, the South Carolina Office of Regulatory Staff ("ORS") filed with the Public Service Commission of South Carolina ("Commission") a report written by the accounting firm, Baker Tilly Virchow Krause, LLP ("Baker Tilly") pertaining to the financial status of South Carolina Electric & Gas Company ("SCE&G" or the "Company") and its abandonment of the V.C Summer Nuclear Units 2 and 3 ("Report").¹ The Report objectively analyzed data provided by the Company and indicated the resulting facts according to the eight scenarios put forth in Commission Order No. 2018-102. In an effort to further assist the Commission in its decision, ORS sought a letter from Baker Tilly interpreting the results of the Report and detailing the financial ramifications of each scenario. Please see enclosed Baker Tilly's Interpretation Letter.

¹ An affidavit from Baker Tilly on the Report is forthcoming.

Additionally, please see enclosed an ORS memorandum regarding the impairment of assets upon Revised Rates suspension.

Sincerely,

Andrew M. Bateman

Encl.
